XCELL GLASS™
Premium Design Solutions

XCELL Glass Premium

offers the timeless nature of glass with our signature design aesthetic.

The design choices of XCELL Glass Premium panels are diverse as your imagination. By allowing you to customize, select color, pattern, interlayer and type of glass, XCELL Glass Premium transform into the perfect medium for your architectural application.

XCELL GLASS

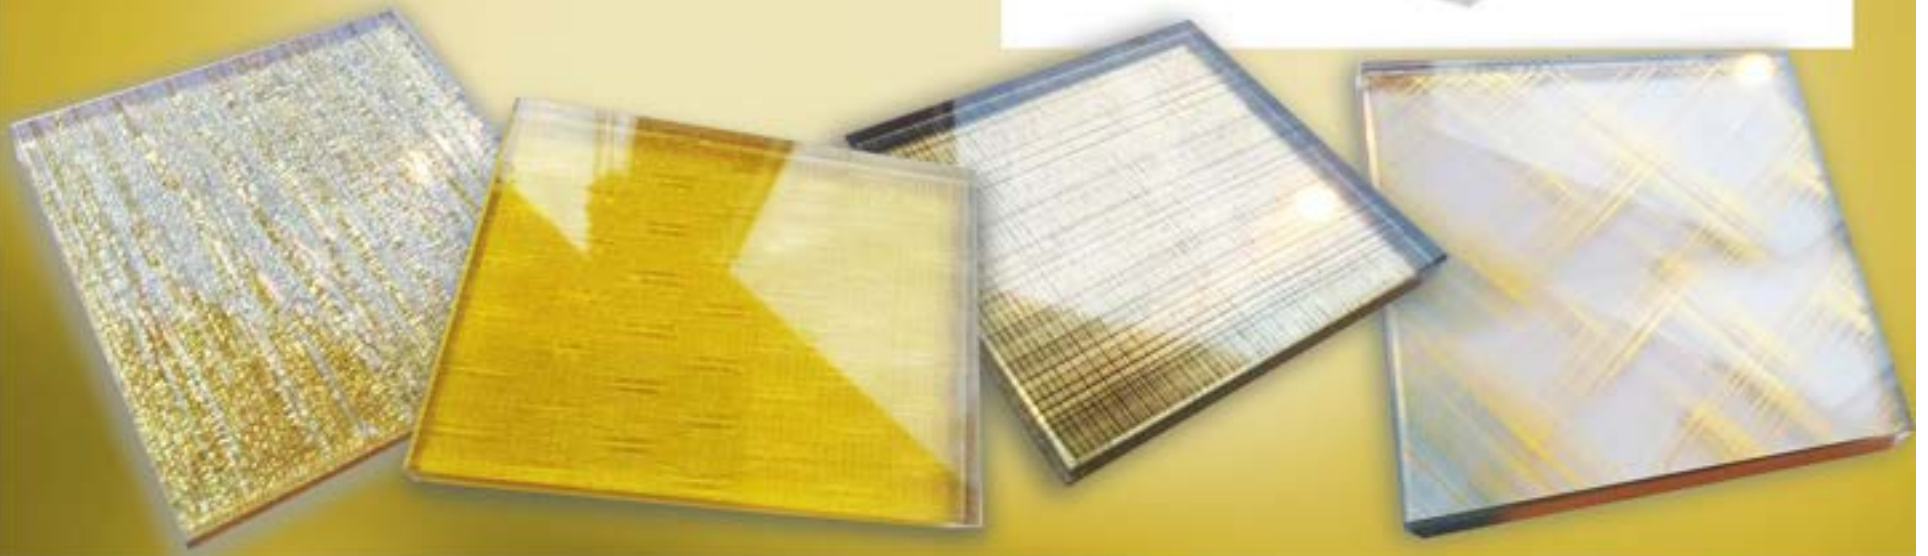

With unbelievable depth and interlayers delicately and dimensionally preserved, Xcell Glass is a dramatic centerpiece.

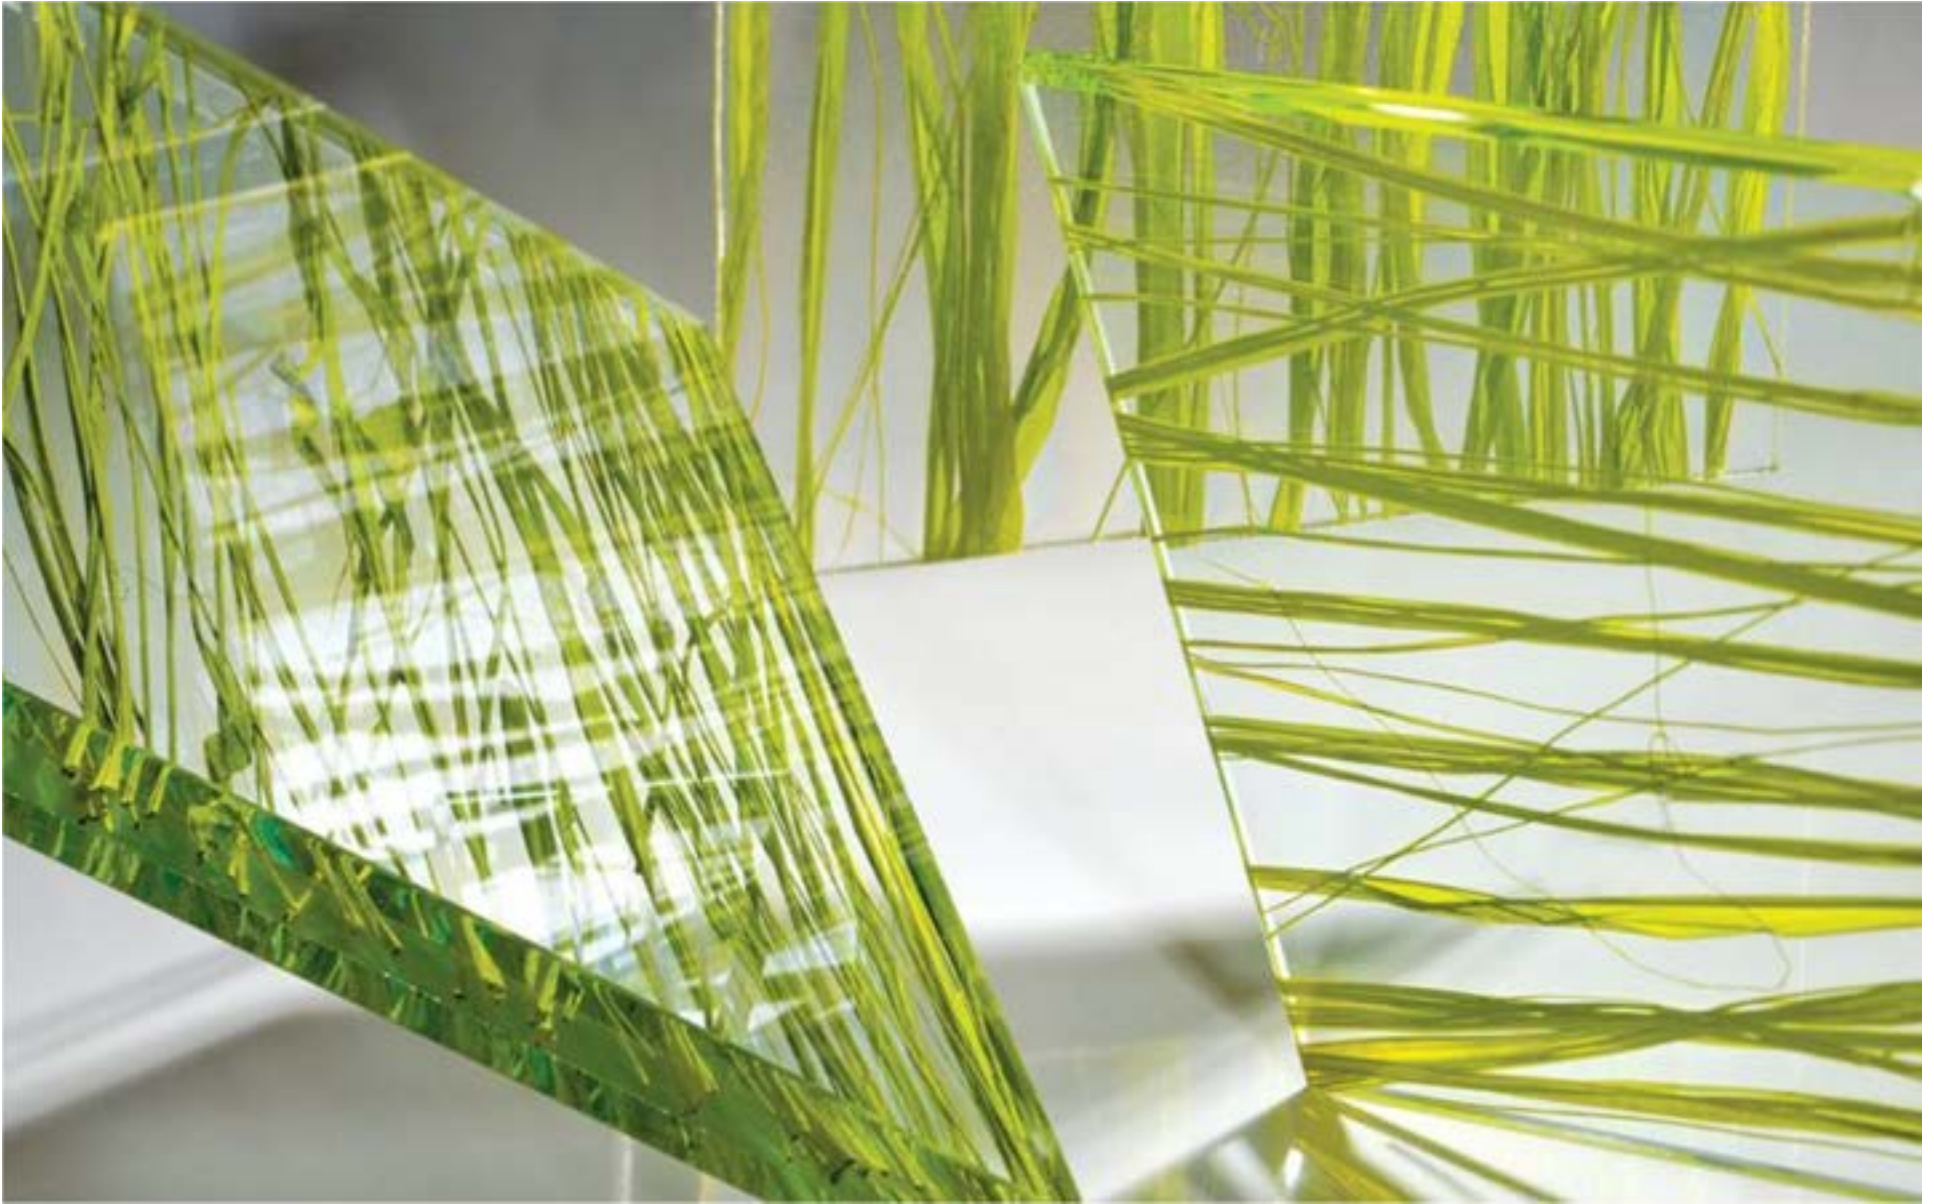

This decorative, architectural glass is a premium product, a memorable beauty to anchor your interior installation.

LAMINATED GLASS

- Two layers of glass sheets with liquid ecoresin™ filled in between.
- High-end artisan surfacing
- Translucent, 3-dimensional product
- Non-combustible material
- Beautiful clarity of glass
- Edges can be polished
- Custom interlayers are possible
- Abrasion resistance of glass

10X STRONGER THAN TEMPERED GLASS

Art and life

Art surrounds life, all people in every location, without us being aware of it. Since time immemorial, art has existed as long as man has. It is a huge part of our culture, which shapes our ideas, and vice versa, and provides us with a deeper understanding of emotions, self-awareness, and more.
